

FOR SCHOOLS • UNIVERSITIES • EMPLOYERS • CHARITIES

Inspire your people. See the **difference they make.**

My Impact is more than a tracker. It helps your community discover new ways to give back, connects them to causes they care about, celebrates every milestone, and gives your organisation a clear picture of all the good that comes from it.

WHAT MY IMPACT DOES FOR YOU

- 1 Inspire fresh ideas**
Members get gentle nudges and suggestions for ways to volunteer, give or help out, matched to the causes and skills they care about.
- 2 Connect your community**
Bring your staff, students or volunteers together in one place. They can log what they do, share reflections, and feel part of something bigger.
- 3 Celebrate every milestone**
Recognise the moments that matter with badges, journal highlights and friendly challenges that keep people coming back.
- 4 Make it visible to you**
A live dashboard, beautiful PDF reports and a public impact page, ready to share with funders, your board or the wider world.
