

FOR SCHOOLS • UNIVERSITIES • EMPLOYERS • CHARITIES

Inspire your people. See the **difference they make.**

For a long time, the everyday good that people do has gone largely unseen. Caring for a neighbour, volunteering, mentoring, recycling, giving blood. All of it has tremendous value. My Impact helps your people understand and celebrate that value, find new ways to give back, and lets your organisation see the good that grows from it all.

WHAT MY IMPACT DOES FOR YOU

- 1 Inspire fresh ideas**
Members get gentle nudges and suggestions for ways to volunteer, give or help out, matched to the causes and skills they care about.
- 2 Connect your community**
Bring your staff, students or volunteers together in one place. They can log what they do, share reflections, and feel part of something bigger.
- 3 Celebrate every milestone**
Recognise the moments that matter with badges, journal highlights and friendly challenges that keep people coming back.
- 4 Make it visible to you**
A live dashboard, beautiful PDF reports and a public impact page, ready to share with funders, your board or the wider world.
